

## Cheap Hotel Burnaby

Cheap Hotel Burnaby - Art hotels are usually driven with the desire to provide an artistic interior featuring exhibits and aesthetics. Usually, these specialty hotels consist of art galleries of paintings, photographs or drawings from a particular period, style or artist. Art hotels are often quite a bit smaller compared to regular hotels. It is advised that patrons make reservations ahead of time, especially during major event dates and holidays to be able to avoid disappointment.

Several art hotels are designed around a specific theme whereas others may have each specific room decorated a certain way or have a theme inspiration for each floor. These fun hotels are generally found in bigger cities which have heavy artistic communities. Normally art hotels offer more pricey rates than chain hotels or 1 to 3 star hotels.

These unique hotels offer a visual appeal which is not attained at a conventional hotel. Nearly all art hotels provide the standard amenities and services of the traditional hotels. These hotels cater to a clientele appreciative of art culture or to a creative audience in general.

In their area's, art hotels can be major popular places for culture providing their customers various theatrical tradition, local art and local music. It is common to transform any common areas or the lobby into mini art galleries. Usually, these areas comprise furniture and great color scheme and a relaxing setting showcasing various artwork or paintings. Having live jazz or blues music in the lounge area or bar usually adds the final touch to a relaxing and refreshing stay at an art hotel.

A popular decor technique is to provide themed rooms based on a specific artist or style. This is a common feature of art hotels. Art hotels are common in Europe, although, they are found all around the globe. One of the well-known art hotels is located in the city of Berlin, Germany and is dedicated to pop art icon Andy Warhol. This particular art hotel offers a permanent exhibition. This hotel features 91 rooms decorated with original art work from the artist. There are a total of 218 signed prints on the premises that portray a comprehensive summary of Andy Warhol's career.

Another major feature for art hotels is to host traveling exhibitions and showcase conventional art shows. Normally, these exhibitions take place in exhibit halls, a common area or within the lobby of the hotel. Hotel tours are offered to potential customers and those staying at the hotel. Meeting rooms are also offered to serve this purpose when they are leased for displays.

Restaurants are almost always an amenity offered by art hotels. These eateries will often showcase dining atmospheres that are art-inspired that can cater to a particular theme of the hotel. Several hotels might even have more than one restaurant on site, whereas smaller establishments may just offer a bar. In certain establishments, room service can be another option.
